### December

Christmas in Cremorne

The Cremorne Community Group is pleased to bring you C Breeze, generously printed by Julie Collins MP.

## Cremorne Community Group

Brian's Banter is on hold whilst he and Helen continue their vagabond existence overseas.

August has certainly proved how beautiful Cremorne can be in all seasons and all weather. Many woke to the rare sight of snow settled, albeit briefly, on Cremorne Beach and surrounding hills on Monday 4th August. This was beautifully photographed and recorded by many residents on the community Facebook site Voice of Cremorne, should you like to revisit this magical event.

In spite of the cold, the sun is definitely warming up and by Sunday 18th October we will have a glorious sunny day for the Cremorne Day Long Table Lunch in the Cremorne Beach Reserve. The organisers of the Cremorne Community Group are looking forward to a big turn out and look forward to welcoming both new and old residents to an afternoon of food, friendship and music.

It's time to join or renew your membership of the Cremorne Community Group for 2015-16. Our AGM will be held at 2pm at the Cremorne Bowls and Community Club on Sunday 27th September. It is open to all residents, so if you are interested in the work of the Group, please come along.

One of our ongoing programs has been the purchase of two gazebos, housed at the Bowls and Community Club, where they are currently available for the use by all the residents of Cremorne. Recently we were informed that we were successful in obtaining a grant from the Rural and Regional Communities Program for a trailer to house the gazebos and necessary anchoring weights. This will make it easier for everyone to borrow this resource. The trailer and equipment will be available to all from October.

Our final event for 2015 will be our annual Christmas in Cremorne event which we jointly organise with the Cremorne Play Group. We shall be calling for volunteers to collect a forest of Christmas trees, help decorate them and write to Santa, to make sure he remembers to visit the children, closer to the event. We will letter drop everyone with details closer to the event. So keep your eyes out and see how you can participate in this event.

The Cremorne Community Group management group would like to acknowledge the Clarence City Council who provide \$2,000 annually through their Community Events Program for the CCG Long Table Lunch and our Christmas in Cremorne event. We also thank Julie Collins MP for printing 'C' Breeze, the Cremorne Community Newsletter.

[cremorne.tas.au](http://cremorne.tas.au) is our community website. It contains details about all community organisations (including membership details) and other interesting information relating to Cremorne.

**Vicki Pearce, Secretary, Cremorne Community Group**

## Cremorne Community Group Membership Form

Membership: \$5 per person annually. Go to [cremorne.tas.au/cremorne](http://cremorne.tas.au/cremorne) community group and click on membership forms

# Boogie at the Bowlo

Cremorne's annual community winter wellbeing disco brought the "Boogie" back to the "Bowlo" in the form of "Hollywood Heroes". The quality of this year's costumes was almost as outstanding as the commitment each actor placed on playing their chosen character. Villains were kept on edge all night in the presence of the intimidating yet sexy Charlies Angels. The Beetlejuice quartet were all up to no good, while our transsexual Greased Lightning duo owned the dance floor all night. At the end of the night there was a tough decision to be made and best actress was awarded to the sultry Jessica Rabbit while this year's best actor went to the inseparable and adorable Minions.

On a personal level I would like to thank everyone involved in creating a fantastic forum for community members to mingle and get to know each other. There are so many fantastic people in our midst.

*Adrian Beach*

## Tidelines

Liam McKenzie. Surfboard designer and maker

**Q. How long have you lived in Cremorne and what was your motivation for settling here?**

A. I've lived here for about 5 years and had a block in Daman Court for 4 years which we sold to the Beach's. Two motivations: 1. Seeing close friends in Cremorne raise children and living a healthy lifestyle; and 2. I've been surfing this area for so many years that it was an easy decision.

**Q. How did you learn the techniques of board making?**

A. I started out fixing dings in friends' surfboards and my own, and this turned into a career when I lived in Sydney. I met a guy in Sydney who shapes boards. He gave me a few tips and my skills developed from there. I have a background in the arts and I find that board making is a form of creative expression. I also find surfing to be an expression of creativity and so the board making is simply an extension of surfing for me. An example of this is I've made a board specifically for surfing Cremorne point.

**Q. What have you been working on recently?**

A. The two last boards I made were experiments originating from ideas that I've had in my head for years. I'm always interested in experimenting and in this way I've made many boards and sold them: for every two boards I made, if I sold one, I would end up with one free board. In total I've made about 50 boards so far.

**Q. What's your vision for board making in the future?**

A. My next boards will be more conservative but the colours will be more creative. I'd like to make boards for my children and their friends. I hope I can pass on the enjoyment I gained from surfing.

## How did DAMAN Court get its name?

Don McVilly shares the story behind the naming of Daman Court. Don raced a horse in partnership with his friend who suggested naming the horse after the first initial of each of Don's family members: Don, Annette, Madeleine, Adelaide and Nic. Hence DAMAN Court. The horse proved successful in races across Australia. In fact, he previously had stables and a track on the land prior to the subdivision.

## Cremorne Bowls & Community Club Weddings, Parties or ???

Did you know that our Club Rooms are available for hire for your function?

Information and applications are available online: [cremorne.tas.au/](http://cremorne.tas.au/) Cremorne Bowls & Community Club and click on Venue Hire 2015-6.

CBCC members are entitled to our generous discount rates.

## \$100 or more up for grabs every Friday night at the Club

CBCC Members could be better off when, between 6 and 8 pm every Friday evening, a Members' Draw will be conducted. But if you are not present at the Club to collect the prize it will go into a jackpot and increase by \$10 weekly until won.

So check that your membership is current, or for an annual fee of \$35 become a Member by applying for membership at the Club or online: [cremorne.tas.au/Cremorne Bowls & Community Club](http://cremorne.tas.au/Cremorne_Bowls_&_Community_Club) and click on Membership forms.

The time of the blind Draw will be determined at the opening of the Club on the day.

## Playgroup news

Like the weather playgroup attendance during winter has been up and down from a few to a crowd. Whatever the number we've had fun. Thank you to all for attending and supporting. We look forward to seeing more faces as the days lengthen. Quite a bit has been going on and is planned. Here's the highlights:

- **Sand & chalk** – thanks to a Clarence City Council Quick Grant we've been able to replenish our huge sandpit. New chalkboards to go in soon.
- **Quiz night, Saturday 7th Nov** – save the date and start taking note of trivia around you from Master Chef, famous cities and song lines. A super quiz night with much hilarity and prizes involved coming your way. Come as a team or on your own - there is a place for you!
- **Disney cruise!!!** Well it's only a maybe but you've got to be in it to win it. Educational Experience offers a great range of toys and educational material for a wide range of ages. Nominate our group for every purchase and we receive a 20% voucher for each \$ spent. You then also can go into the draw for a Disney cruise. Go to the following link and remember to nominate Cremorne Playgroup Tasmania (not that Sydney version) - <http://www.edex.com.au/fundraising/>
- **Vacancy!** Our dedicated and hardworking secretary Bron will be leaving our ranks at the end of the year as her youngest heads off to Kinder. So we need a replacement. It's not tricky and the workload shared. Nonetheless it's a vital role and we need someone to fill Bron's great shoes. (Also please keep in mind yours truly will be only with the group for another year as well and the call will be out again).
- **Last Monday of the month sessions** – Remember for a change of scenery and a good coffee we have last playgroup of the month (weather permitting) at another venue. Usually the Foreshore Tavern (during school term). Very relaxed. Great play area and no setting or packing up.
- **What's going on?** If you wish to keep up with playgroup news and more (e.g. when is the next dinner get together?) then get in touch and sign up to our Google Group email list. You don't have to have kids at playgroup to join.
- **Our great Club** – Playgroup could not operate without the Cremorne Community and Bowls Club. Whether you've kids at playgroup or not – if you've popped into the Club during the last year for fish'n'chips, a drink, dance or play please give them the necessary support and join up. Membership forms at: <http://cremorne.tas.au/cremorne-bowls-community-club> (follow the links).

## Rokeby High School and UTAS Partnership

Rokeby High School students have been provided a fantastic opportunity after the announcement of RHS being the pilot school for a significant partnership with the University of Tasmania. The partnership will provide our students with numerous opportunities to get a head start on the competition by participating in a number of University led programs held at RHS (and at the Sandy Bay Campus) aimed at providing students with real life experiences of university, and the many possible pathways beyond high school.

Some of the programs include:

### - UTAS 'Students in Schools' program

The university's Students in Schools program is designed to inspire young people in Grades 5-8 to broaden their options and consider higher education or university study in the future. The program has university students that go into schools and run a series of fun, hands-on and engaging activities to give students a taste of what university is all about. These programs aim to show students that it is possible and that with the right supports and a keen interest in a subject that they will be able to be the best that they can be.

---

## Cremorne Community Resource

Did you know that the Cremorne Community Group has two gazebos (3m x 3m & 3m x6m) which are available free of charge for hire by all Cremorne residents?

For bookings; contact Vicki; 0418 992 891 or email your enquiry to [ccg@cremorne.tas.au](mailto:ccg@cremorne.tas.au)

---

## Barefoot at the Bowlo

Register your teams now for the 2015-16 Cremorne Bowls & Community Club. Thursday Evening Barefoot Bowls Competition.

The season commences on Thursday 8th October at 6pm for a 6.30pm start. So register your team early as this popular competition fills up quickly

Registration forms are available at the Bowls Club or online; [cremorne.tas.au/Cremorne Bowls & Community Club](http://cremorne.tas.au/Cremorne%20Bowls%20&%20Community%20Club) and click on barefoot bowls registration form 2015-6

---

## Cremorne Community Group Inc Annual General Meeting

2pm Sunday 27 September  
Cremorne Bowls & Community Club

All welcome, you are invited to join us for afternoon tea following the meeting. For further information contact Vicki Pearce, Secretary, CCG: 0418 992 891 or [ccg@cremorne.tas.au](mailto:ccg@cremorne.tas.au)

---

## Pipe Clay Coastcare news

There will be no Coastcare action through the Spring months, but look out for more news and action in the Summer Issue.

---

C Breeze is a community newsletter, compiled & edited by the Cremorne Community Group Inc.

## Rokeby High School and UTAS Partnership cont...

### - Foundations for Active Living

This unit is a free course for everyone to provide students and community members with an opportunity to experience study at university and to give them an entry point into the

Faculty of Health Science. The unit does provide participants with knowledge and skills to commence or maintain a healthy lifestyle using evidence-based knowledge and practices. The unit covers nutrition and food, being active, health promotion, behaviour change, goal setting and tools and activities to put this knowledge into practice.

### - Business Education Partnership – In conjunction with Elizabeth College

A program aimed at raising the profile and relevance of business studies at all levels of education. The program incorporates business tours, industry speakers, work placements and career advice and mentoring. The program is designed to expose students of all levels to business and other areas of employment around the four industries of the future which are Health, Food, Tourism, Advanced Manufacturing and Innovative Technologies.

Everyone at Rokeby High School is extremely excited about this partnership developing into the future.

---

## Cremorne Bowls & Community Club news

Have you noticed the very much needed facelift to our street front? This is just one of the necessary changes that the Board and members who have volunteered their time, to make the Club a more pleasant environment for our members and visitors. It takes time and resource for such changes and we rely on our members to step up to help implement these improvements.

In the sporting arena the Club had an amazing 2014-15 season. Our small team of 50 men and women, our pennant bowlers were successful in all divisions with Men's midweek winning the pennant, both Saturday Pennant teams topping the ladder and the Women's team finishing third. To cap it off we were also awarded the Club of the Year by our organising body Bowls Tasmania South.

The winter social program is drawing to a close. The hot soup lunches have kept our lawn bowlers warm through this very cold winter. The winter Wednesday evening indoor bowlers are fighting it out for a chance to win the Di Hoggett trophy for 2015.

Don't forget to get your teams organised and registered early for the summer competition for the Thursday night Barefoot Bowls. See our ad elsewhere in the newsletter on how to enrol.

We are sad to announce that Nordstrom Catering has cancelled the monthly Friday night dinners at the Club. Johnno and Ange are unable to continue the business due in most part to the late cancellations of bookings. In consultation with the Club, they are, however, hoping to reintroduce the Pop Up service in early November. We will keep you in touch about this.

The mid-winter disco, organised by Adrian Beach and friends, was a fantastic success, well done everyone.

Here's to looking forward to a wonderful summer.

*Vicki Pearce*

*Secretary CBCC BoM*

A hand-drawn illustration for a 'LONG TABLE LUNCH' poster. It features various food items like a burger, a pizza, a watermelon slice, and a bowl of salad. The text reads: 'LONG TABLE LUNCH', 'Cremorne Beach Reserve', '12.30pm Sunday, 18th October 2015'. Below the text, it says: 'Celebrate Cremorne Day, a community shared lunch, where we all bring a lunch platter to share (BYO). For information email: [ccg@cremorne.tas.au](mailto:ccg@cremorne.tas.au) or go to [cremorne.tas.au/Cremorne Community Group](http://cremorne.tas.au/Cremorne%20Community%20Group) for information'.

**LONG TABLE LUNCH**  
Cremorne Beach Reserve  
12.30pm Sunday, 18th October 2015
